Sarasota is a tropical paradise on the Gulf of Mexico that offers abundant natural beauty, cultural tradition, plenty of sunshine and a superb quality of life. Clean air, sparkling beaches and sunny climate have made this jewel in the middle of southwest Florida world famous as a center for the good life. Vibrant recreational and cultural scenes offer activities for every taste and budget. Sarasota offers big city amenities with a small town way of living.

Sarasota Bay Mobile Home Park is an over 40 park located approximately 6 miles from downtown Sarasota. Nestled amongst shady Florida oak and palm trees and within walking distance to the community fishing pier of Sarasota Bay. This park offers plenty of local restaurants, churches, shopping and convenient access to local bus transportation makes this park the ideal location.

A short drive leads to the celebrated Venice Beach – the shark tooth capital of the world and nearby Casey Key jetty and park beach is known as one of the best places to witness a stunning sunset across the Gulf of Mexico. When you come, be ready for fun. There's lots to do.

The new Bay Street Village is being developed in Osprey under the concept of a live-work community. This beautiful new community, less than 1 mile away, will include fine retail shops, restaurants and a new library.
